Create Online Coaching Class Website

1. NAVBAR (Top Menu)

Create a **simple responsive navbar** with:

◆ Items:

- Home
- About
- Courses
- Contact
- Login (Button)

◆ Features:

✓ Navbar must collapse on mobile
✓ Background: `bg-primary`
✓ Text: `text-white`
✓ Login button aligned on right

---

2. CAROUSEL (Student / Classroom Slider)

Below navbar, add a **carousel with 3 slides**.

Each slide must contain:

- One image
- One heading
- One short text

◆ Simple rules:

✓ Indicators (dots)
✓ Previous & Next buttons
✓ Auto slide

Example use:

- Slide 1: Classroom Image
- Slide 2: Teacher Image

- Slide 3: Student Group Image

---

3. SCROLLSPY (Menu Highlight on Scroll)

Create **4 vertical sections**:

Section Name	Section ID
Home	`#home`
About	`#about`
Courses	`#courses`
Contact	`#contact`

◆ Conditions:

✅ When user scrolls, navbar menu must auto-highlight
✅ Use `data-bs-spy="scroll"`

---

4. MODAL (Login Popup)

When user clicks **Login** in Navbar:

✅ A modal must open
✅ Title: **Student Login**
✅ Two inputs:

- Email
- Password

✅ Two buttons:

- Login
- Close

✅ No backend needed (only UI)

---

5. OFFCANVAS (Student Panel)

Add a **Student Panel button** in navbar.

When clicked:
✓ Offcanvas must open from **right side**

Inside offcanvas:

- Student photo (100px*100px)
- Name
- 4 links:
    - Profile
    - My Courses
    - Fees
    - Logout

---

6. PAGINATION (Courses List)

In **Courses section**, show:

✓ 8 course cards
✓ Show only **4 cards per page**
✓ Add pagination below:

```
Previous | 1 | 2 | Next
```

✓ Clicking page numbers must change visible courses.
